Articles, advice, ideas, and tips to help you soothe, nurture, bond with, and entertain your little one. Oct 03, Baby Einstein: Babies By Julie Aigner-Clark With easy-to-turn board pages, limited amount of text, and colorful pictures of all kinds of different babies, this is an infant damiadenuga.com: Compiled by Stephanie Wagle. For example out of a sample of babies, a percentile value of 40 percent means your baby weighs more than 40 babies and weighs less than the other 60 babies. A percentile of 50% represents the average or mean weight. A value below 50 percent means a baby weighs less than the average. A value greater than 50 percent means a baby is above average. These are list of activities you can do with your newborn, activities suitable for baby months. These will help your baby grow and learn. Activities which will develop their communication, motor, social and personal skills. It worked effectively with us and I hope it will for you too.
