Anglo-Celtic citizens are those of British or English and Celtic descent. The concept is mainly relevant outside of Great Britain and Ireland, particularly in Australia but also in Canada, the United States, New Zealand and South Africa, where a significant diaspora is located.. The term is a combination of the combining form Anglo-and the adjective Celtic. Celts were an ancient European culture. They got conquered by the Romans in most of their territory despite putting up a good fight and by the Germanic people's in the north who were growing stronger and expanding south. In most areas where the C.
