Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - Author: Frederic S.W. Brimblecombe. Four basic parenting styles have been identified by mental health researchers: indulgent, uninvolved, authoritarian and authoritative. Of the four types, only the authoritative parenting style has been found to be without detrimental consequences. PARENTING STYLES (Social Science) Parenting or child rearing styles are parents characteristic, consistent manner of interacting with their children across a wide range of everyday situations.
