This venerable resource, which has served beginning language students for over 50 years, is divided into two parts. Lexical Aids for Students of New Testament Greek helps students maximize their study by concentrating on the words that appear most often in the Greek New Testament. This venerable resource, which has served beginning language students for over fifty years, is divided into two parts.

The beginning Greek student faces a vexing dilemma: a myriad of vocabulary words to learn and little time to learn them. One of the century's leading Greek scholars offers a solid solution by organizing Greek words according to their frequency of appearance in the New Testament/5.
