"Managing Management Time" is not just about time management, it's a complete course in management. You will learn from and enjoy this book but most important, is that you will use what you learn. The truths that Bill Oncken will give you can set you free and make your organization a more productive and satisfying place for everyone to damiadenuga.coms:

Our Managing Management Time (MMT) leadership program is not a conventional time management seminar. It is different from other time management courses as we are not going to teach you efficiency techniques like prioritizing, sorting your in-basket, your e-mail, or screening calls and visitors. Bill Oncken, Jr. hits both the absurdities and realities of organizational life in America with such accuracy that it hurts. Now what hundreds of thousands of managers have learned in "Managing Management Time" seminars is being made available for every manager in America to read in the quiet of his or her office. All these steps will increase the managers leverage and enable the value of each hour spent in managing management time to multiply without theoretical limit.
