Sealogy: A Study of the Ass-Kicking Films of Steven Seagal by Vern Vern is the guy who used to write reviews of action movies for Ain't It Cool News, mostly low-budget, direct-to-video/DVD stuff that most people wouldn't touch with a bargepole. One of my favourite non-fiction books. This is an in-depth, partly ironic look at the films of Steven Seagal. Before you laugh, think if you will about the general themes of Seagal's films (especially his earlier ones): abuse of power, government corruption and government duplicity/5.

"Sealogy not only made me laugh my ass off, but sent me to Amazon to buy some of the early Seagal DVDs I didn't already own. This book is an instant cult classic." This book is an instant cult classic."

Just now we get a Sealogy: The Ass-kicking Films of Steven Seagal (Paperback) - Common book. Thank you to Jorja Fauver who give us a file download of Sealogy: The Ass-kicking Films of Steven Seagal (Paperback) - Common with free.
