In THE ELEMENTS OF TEACHING, James M. Banner and Harold C. Cannon have identified something profound and timeless about the art of teaching; in the process they have also provided an inspirational portrait of good teaching that will rejuvenate teachers at all levels of damiadenuga.coms:

The elements of teaching and learning 1. The Elements of Teaching and Learning 2. The principal elements that make teaching and learning possible and attainable are the teachers, the learners, and a conducive learning environment. The teacher .

Jan 01, This is an excellent source for explaining the less tangible elements of teaching. It describes what a teacher innately understands but often can't explain. There are a few sections that are less edifying, but on the whole it is a great book/5.

Arguing that teaching is an art, Banner and Cannon help teachers understand its components. They analyze the specific qualities of successful teachers and the ways in which these qualities promote learning and understanding.5/5(1).
