The Emptied Christ of Philippians: Mahayana Meditations - Kindle edition by John P. Keenan, Ruben L. F. Habito. Religion & Spirituality Kindle eBooks @ damiadenuga.com: John P. Keenan. The Emptied Christ of Philippians: Mahayana Meditations by John P. Keenan Before the Gospels were written, long before the creeds of the Church were hammered out, Christ followers in Philippi sang a hymn of the Christ who, "although he was in the form of God emptied himself, taking the form of a slave, being born as are all humans.". More explicitly, "The hymn of the empty Christ empties the historical character of Jesus" (p. ), which is why, "in Philippians, the very life of Christ expands beyond the historical Jesus to become the life of Paul and of the communities of faith" (p. 97). Following his Mahayana guide, as well as listening carefully to contemporary Pauline exegetes, Keenan shows convincingly that the life and self-understanding of Paul and the Philippians were grounded in a mystical experience of "being in Christ," of "putting on the mind of Christ" of oneness with a self-emptied, risen Christ who is "supplied.
