In an age of rampant globalisation the study of geopolitics assumes a crucial, and urgent, significance. While geopolitical considerations have always ruled imperial structures in the pastReviews: 1. The European Enterprise has 0 ratings and 0 reviews. In an age of rampant globalisation the study of geopolitics assumes a crucial, and urgent, signfica.

While geopolitical considerations have always ruled imperial structures in the past, the present state of international politics, where the revolutionary Protestant colony of America postures on the world-stage as sole hegemon, demands a renewed attention to the historical, economic, cultural and spiritual bases of the major empires of the European mainland.
