Donna Przechta helps you id illegitamate children (and their fathers), explains terms like "bastardy bonds", and gives you a history of out-of-wedlock births. The dangerous myth of the 'missing black father' the issue of missing black fathers has been a top priority for black intellectuals, activists and community leaders, as well as a favored. Adolescents whose fathers were drug abusers revealed that paternal smoking and drug use lead to strained father-child relationships. This weakened relationship led to greater adolescent maladjustment with family and friends and a higher risk for adolescent drug use and smoking. The 9 Devastating Effects Of The Absent Father our nations children are likely to spend at least a significant portion of their childhoods living apart from their fathers. If these inherent frameworks are missing or not allowed to fully develop we really never have a chance to realise our full potential. Dr. Wade Horn, assistant secretary for children and families in the U.S. Department of Health and Human Services, addressed the connections between fatherlessness and criminal behavior in a speech.
