Though Zechariah was born during the exile of Israel to Babylon, his writing occurred once the Jewish people were back in the Land. Jewish tradition maintains that the prophet Zechariah was a man of the Great Synagogue, the group that is believed to have carefully preserved the Hebrew Scriptures and traditions during the period after the exile.

Second Zechariah, in the opinion of some scholars, appears to make use of the books of Isaiah, Jeremiah, and Ezekiel, the Deuteronomistic History, and the themes from First Zechariah. This has led some to believe that the writer(s) or editor(s) of Second Zechariah may have been a disciple of the prophet Zechariah. Mathew Bartlett has been in UK Christian ministry for over 20 years and has recently returned to Biblical studies as a postgraduate student. He is the editor of Living Word Magazine and author of numerous books and study damiadenuga.com: Mathew Bartlett.

The prophet used a simple structure of eight visions (Zechariah), four messages (), and two oracles () to anticipate the completion of the temple and, ultimately, the future reign of the Messiah from Jerusalem.

The prophet Zechariah not only brought a message of hope for the people of his day, but for all of mankind down through the ages right up to our present time. Zechariah is a commonly used name in the Old Testament and means the LORD remembers, a meaning that contributes to the hope of the Messiahs first and second coming prophesied in Zechariahs book.
