Humans are the only species that care about virginity - although we are not the only species with a hymen/5.

Virgin: The Untouched History by Hanne Blank "A well-researched history of virginity In an era marked by a chaotic maelstrom of virginities,' Blank's book is a useful antidote to our confusion."/5(5).

Hanne Blank's revolutionary, rich, and entertaining survey of an astonishing untouched history reveals why humans have been fixated on an indefinable state of being since the dawn of time/5(8). Hanne Blank (born February 25,) is an American historian, writer, editor and public speaker. She has also edited and written erotica but is retired from that genre. [1] Blank believes in civil rights in general and fat rights in particular.
